

SAVE THE DATE

Expanding brain research in Europe - Education, Behaviour and Brain Development

Brain Awareness Week - Outreach Event European Parliament, Strasbourg, 15 March 2018 / 9-11

Hosted by:

MEPs **Anne Sander** (France, EPP), **Daciana Sârbu** (Romania, S&D)
and **Lieve Wierinck** (Belgium, ALDE).

Speakers will include:

Prof. Albert Gjedde – Brain Prize recipient, University of Copenhagen

Prof. Steven Laureys – Francqui Prize recipient, University of Liège

Prof. Gaia Novarino – FENS Kavli Scholar, Institute of Science and
Technology Austria

Brain Awareness Week is the global campaign to increase public awareness of the progress and benefits of brain research organised by the Dana Foundation. Every March, partner organizations worldwide work together to celebrate the brain for people of all ages. Past activities have included open days at neuroscience labs, exhibitions about the brain, lectures on brain-related topics, social media campaigns, displays at libraries and community centers, and classroom workshops - to name a few.
