

Project policy paper

Interested in inviting EBC to partner in a collaborative project?

Please make sure that the following criteria are met:

A project needs to

- ✓ Enhance EBC's mission and delivery of key objectives:
 - *Mission: By bringing together science & society we advance understanding of the healthy and diseased brain to improve the lives of those living with brain disorders*
 - Key objectives:
 - Advocating the agenda of “brain space” in EU
 - Developing content on challenges in the “brain space”
 - Coordinating efforts within the “brain space”
- ✓ Fit to one or more of the three strategic pillars:
 - Driving Education & Awareness
 - Promote Prevention & Treatment
 - Stimulating Innovation

Note: funding for advocacy activities may need to be framed indirectly to attract support
- ✓ Have capacity for an impact
- ✓ Fulfil unmet needs
- ✓ Avoid duplication
- ✓ Link to EU health and research policy and related agenda
- ✓ Have concrete deliverable
- ✓ Have involvement from the outset of high quality partners
- ✓ Have patient organisations meaningfully involved
- ✓ Have academics, clinicians and industry representatives
- ✓ Have healthy financial framework for EBC
