(Institute of Science and Technology Austria, FENS Kavli Scholar)

Discussants:

Prof. Patrice Boyer (EBC Vice-President & EPA) and **Prof. Roland Pochet** (EBC - BBC Liaison Officer)

Brain Awareness Week is the global campaign to increase public awareness of the progress and benefits of brain research, organised by the Dana Alliance. Every March, partner organisations worldwide work together to celebrate the brain for people of all ages. Past activities have included open days at neuroscience laboratories, workshops, exhibitions about the brain, lectures on brain-related topics, social media campaigns, displays at libraries and community centres.
