

# Ensuring equitable access to treatment, services and support

Members' Salon  
**European Parliament**

**6<sup>th</sup> November 2019**  
**12.00 – 14.30**

**Hosted by Tilly Metz MEP**  
(Greens – Luxembourg)

**Presenting -** Disparities in Europe in access to treatment for neurology and chronic pain patients

**Launching -** Rethinking MS in Europe: Prioritising integrated services for people with multiple sclerosis in Europe

**Discussing -** How do we overcome the challenges facing these patients in terms of the access to treatment, services and support they require?

The MEP Interest Group on Brain, Mind and Pain is coordinated by the European Federation of Neurological Associations and Pain Alliance Europe through grants from Grunenthal, Merck, Novartis, Sanofi, TEVA and UCB.

This event is held in partnership with the European Brain Council and The Health Policy Partnership.
